

Do you suffer with Lower Back Pain?

Have you tried physiotherapy or osteopathy to treat your lower back pain?

Adults who have experienced physiotherapy or osteopathy for treatment of lower back pain are invited to take part in an interview study. This study will explore what it is like to experience physiotherapy or osteopathy as a patient with lower back pain. This study will involve a one off interview which is expected to last for about an hour.

If you would like more information about this study, or to find out how to take part then please contact the researcher Katherine Bradbury on 07867963498 or email kjb1e08@soton.ac.uk
